

# the future of delivery

We've partnered with Fetch to deliver all packages, from any carrier, directly to your door!

## how fetch works

### you order

Use your Fetch account and "Fetch address" when placing any online order for packages.

### fetch notifies

You get a notification when your package arrives at our facility.

### you schedule

Choose the delivery window that fits your schedule, same-day or any day!

### fetch delivers

That's it! Sit back and enjoy package delivery straight to your door.

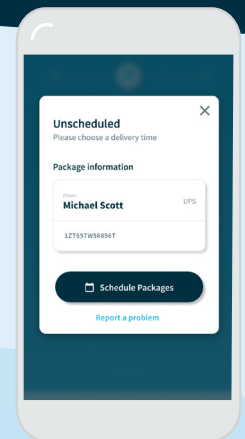

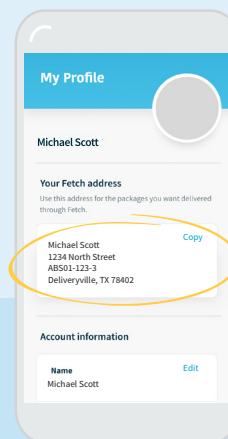

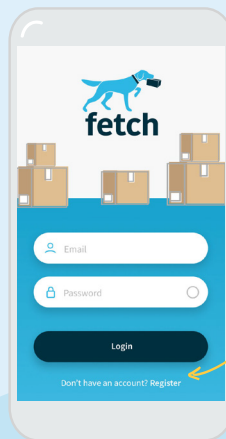

## how to get started

### register here

### need help?

download and contact us through the **Fetch app**

You can think of your **Fetch shipping address** as a P.O. box that delivers to you!

Your Fetch shipping address is our facility address with your unique Fetch code identifier that tells us which apartment to deliver to.

1

### sign up

Download the free Fetch iOS or Android resident app or sign up at [fetchpackage.com/welcome](https://fetchpackage.com/welcome)

2

### use address

Your new fetch address can be found on your app profile or account settings on the website.

3

### schedule

Choose one of their many flexible windows for delivery straight to your door.
